

The diagram illustrates a frame structure bounded by dashed lines. It contains several rectangular blocks representing cells, labeled 1 through 9. A central block, labeled 4, is flanked by blocks 2 and 3. To the right of block 4 is a large block labeled 5, which contains an ellipsis and an arrow pointing right. To the left of block 4 is a block labeled 6, which also contains an ellipsis and an arrow pointing left. The entire structure is labeled with 'P_first_cell' at the top, 'P_end_of_frame' in the middle, and 'P_last_cell' at the bottom. The labels 1, 2, 3, 4, 5, 6, 8, and 9 are positioned along the right side of the diagram.
